

CorruWay™ Corrugated Packaging Systems

Technical Product Catalog & Dimension Specifications — Revision 2026

1. Executive Overview & Technical Scope

The CorruWay division of TopWay Packaging manufactures high-precision 3-ply, 5-ply, and 7-ply heavy-duty corrugated cartons, die-cut specialty boxes, and export-grade logistics containers. Operating automated corrugation lines at our Sitapura facility, CorruWay produces engineered structural packaging calibrated for maximum edge crush resistance (ECT), compression stacking strength, and drop-impact absorption.
